

**State Honor Choir Program
American Choral Directors Association of Minnesota
4445 44th Avenue South
Minneapolis MN 55406**

Dear Student:

Thank you for participating in the 2023-24 American Choral Directors Association (ACDA-MN) State Honor Choir auditions. The competition from hundreds of students all across the state was significant again this year and, regrettably, our team of judges was not able to include you in the final selection.

Students were scored and ultimately selected on the following musical elements of intonation, pitch accuracy, tone quality, attention to diction, and musical expression.

On behalf of the ACDA-MN State Board of Directors and our Honor Choir staff, we sincerely thank you for taking the time and giving the energy to audition for this selective choral singing experience. The efforts of both you and your music teacher are very much appreciated. We hope that you have been able to learn more about yourself as you prepared this singing audition. We encourage you to continue your singing and gaining further musical and performance skills.

Sincerely,

A handwritten signature in black ink, appearing to read "Jamie Andrews", is placed over a light gray rectangular background.

Jamie Andrews
Executive Director
ACDA of Minnesota
